Henry's Invigorating Cordial, is one of the most valuable Medicines in the many Compolaints to which Females are subject it assists nature to brace the whole system, check excess, and creates renewed health and happiness. Less suffering, disease and unhappiness among Ladies would exist, were they generally to adopt the use of this Cordial.—Ladies who are debilinted by those obstractions which formales are liable to, are restored by the use of a bottle or two, to bloom and to vigor.

DR. JOHN BULL.

SOMETHING NEW AND VALUABLE. The most powerful King on the face of the globs now reigns supreme in the American Republic. The power of the crowned heads of Europe sink into insignificance when compared to that of our American King.

European Kings employ the power vested in them to increase the riches of the rich and lordly, and to reduce to greater misery and degradation the poor and dependent. Our American King goes forth with equal willingness to the lordly mansion and humble cabin, ready alike to administer relief and to offer health and happpiness to the lordly and lowly, the rich and the poor.

DR. JOHN BULL'S GREAT AMERICAN KING

Is the Tanti Wonder of the World, and the greatest blessing ever offered to afflicted humanity, to the suffering millions, the Doctor can say, relief is at your command. You have only to use this magical remedy. All those who still suffer, and will not accept the proffered balm, deserve not the pity of their families.

This wonderful medicine, during the brief period since its introduction, has carried happiness to the hearts of thousands, and made life a charm to many who heretofore regarded it only as a painful and miserable existence. To the winds with all Liniments, Embrocations, Pain Riliers, and Pain Extractors, and let millions of glad tongues proclaim the merits of the great "American King of Pain." a preparation composed solely of vegetables and roots, produced by America's own rich and bounteous soil.

We would sek the Labirs, who are always competent We would sek the Ladius, who are always competent

We would sak the Ladius, who are always competent judges of what is and what is not a valuable family medicine, to do us a special favor by giving the hing of Pain a single irfal, and if satisfactory, exert their influence in its behalf, recommend it, speak well and often of it, and see that it is used by their afflicted neighbors. The Ladies are always charitable, and when they induce their suffering friends to use this really valuable medicine, they will be doing an act of benevolence that they can well be pread of. This is a powerful and truly magical remedy for all external discuses, sores, swellings, burns, &c., and for many internal afflictions, it is a cartain cure, yet it is perfectly harmiess, and incapable of producing the least injurious effects in the most delicate cases or the weakest constitution.

It is entirely useless to follow the old and worn-out system of publishing to the public thousands of certificates of wonders performed by this medicine. It costs but twenty-fire cents to try it; and Dr. Buill stakes his well-carned reputation on the King of Pain doing all and more than he claims for it.

We would ask, have you the Rheumatism or Goust these are not pleasant companions, and we know that you would like to drive them away as soon as possible, then use

"BULL'S KING OF PAIN."

Would you be cured almost immediately, of Bowel Complaint, Dysentery, Summer Complaint, Cholera Mor-bus, Cramp Colic, Head Ache, Tooth, or any other ache or pain, the remedy is simple and the cure certain. USE THE GREAT KING OF PAIN. Would you have your Sores, Swellings, Cuts, Burns, calds, Brulses, or any other wounds healed, we repeat

MAGICAL KING OF PAIN. Would you be cured of Scald Head, Stiff Joints, Sore Throat, Neuralgia, Sore Breast, Lumbago, Tetter or Ring Worm, Sale Rheum, Birst of Poisonous Insects, Chapped Hands, and all other Sores, either dry or running, we say again and again, Torn REMENT is Dr. John Buil's "KING OF PAIN."

Would you be cured of King's Evil, Cancer, Tumors, Eruptions, or any disease of the Skin caused by impurablood, then use Dr. John Bull's Sarasparilia internally, and the King of Pain externally, noting can be mose certain than a speedy and effectual curve. DR. JOHN BULL'S
